From the A12 (Arnhem)

Take exit no. 16 (Nieuwegein/Papendorp). At the end of the exit road keep left and at the traffic lights go straight ahead towards Papendorp. At the next double traffic lights go straight ahead. After about 450 metres take the left lane. You are now on Van Deventerlaan (with the Mercedes-Benz building on your right). Follow the road between the Mercedes-Benz and Stork Technical Services buildings. After the road bends to the left, the parking garage is on your left.

From the A12 (Rotterdam)

Take exit no. 16 (Nieuwegein/Papendorp). After 600 metres turn left onto Papendorpseweg. After 500 metres turn right onto Papendorpseweg. At the double traffic lights go straight ahead. After about 450 metres take the left lane. You are now on Van Deventerlaan (with the Mercedes-Benz building on your right). Follow the road between the Mercedes-Benz and Stork Technical Services buildings. After the road bends to the left, the parking garage is on your left.

From the A2 (Amsterdam)

From the A2 take exit no. 8 (Papendorp/Langerak). At the end of the exit road turn left at the traffic lights towards Papendorp. At the next traffic lights go straight ahead. Then turn left at the next traffic lights. After 600 metres turn right onto Van Deventerlaan. The Stork Technical Services building (the 'Glazen Duo') is on your right after another 450 metres. Drive into the parking garage under the building, from where you can report to reception on arrival using the intercom.

From the A2 (Amsterdam)

From the A2 take exit no. 8 (Papendorp/Langerak). At the end of the exit road turn left at the traffic lights towards Papendorp. At the next traffic lights go straight ahead. Then turn left at the next traffic lights. After 600 metres turn right onto Van Deventerlaan. The Stork Technical Services building (the 'Glazen Duo') is on your right after another 450 metres. From the A2 ('s-Hertogenbosch)

Take exit no. 8 (Utrecht Centrum). At the end of the exit road turn left at the traffic lights and then immediately turn left again at the next traffic lights towards Papendorp. Then turn left at the next traffic lights. After 600 metres turn right onto Van Deventerlaan. The Stork Technical Services building (the 'Glazen Duo') is on your right after another 450 metres. Drive into the parking garage under the building, from where you can report to reception on arrival using the intercom.

Public transport

From Utrecht Centraal railway station, take bus no. 24 for De Meern Oost. Get off the bus at the Taatsenplein stop.

Parking

Parking is free in the parking garage under the building, there is a limited amount of parking spaces available. Please let your host/hostess know that you would like to park at Stork Technical Services so he or she can reserve a parking place. The entrance of the garage is next to the access of the building. When there are no places available we will let you know in advance. There is a P&R-place next to de Prins Clausbrugge when the garage is full. This P&R is at a 5 minute walk from our headquarters and is the closest parking opportunity.
